Existing special rules or provisions which are applicable to certain posts or departments and which may remain unaltered even after the introduction of the new Rules may be examined, Department by Department, with a view to see which should prevail, whether the special provisions or the general Rules, in regard to such appointment

The existing special rules of recruitment applicable to the ministerial establishment of the General and Revenue Secretariat are those sanctioned by G.O. No. 2127-35 | O.E. 174-28-2 of 21.12.1929

Under the Revised Rules of Recruitment, all appointments of First and Second Division clerks, Senior and Junior Steno-Typists and Typists in the General and Revenue Secretariat fall under class I of appointments and in view of these new rules the special rules contained in the G.O. of 21.12.1929 do not seem to exist any longer and would be superseded.
